

## Exhibition Frame Range

Working closely with our suppliers Store Street Framing has developed a selection of frames designed for trade use.

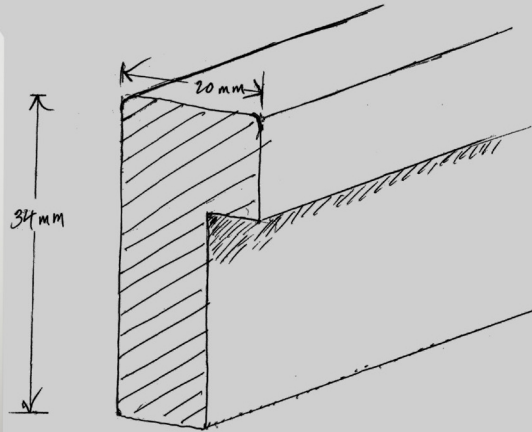

Competitively priced, the range offers gallery standard designs at trade prices.

All these mouldings are kept in stock for quick turnaround.

### White & Black Box Frame

An elegant frame with a 20mm face, this satin finish moulding is versatile and robust.

Perfect for the professional and neutral framing of works on paper.

### Tray Frames

Two natural wood tray frames with a 12mm face, designed to take 18mm and 36mm deep stretched canvas.

The wood is ready to be stained or painted.
